DAY 1 | Thursday, November 8 | 09:00 - 10:30

Program Details

Day 1

Session	
Room 1 09:00 - 10:30	Update & issue (English-Korean)
	Moderators Ki-Young Lee (Yonsei University, Korea) Laurence Weinberg (University of Melbourne, Australia)
	The future of anesthesia is intravenous Michael Irwin (University of Hong Kong, Hong Kong)
	Multi-disciplinary approach to decision making in cancer surgery Timothy Wigmore (Royal Marsden Hospital, UK)
	Cancer therapies: implications for the anesthesiologist Vijaya Gottumukkala (University of Texas, USA)
	Q & A
Room 2 09:00 - 10:30	Refresher course (English-Korean)
	Moderators Yoonsuk Lee (Dongguk University, Korea) Stephen Luney (Teleflex Inc, UK)
	Indirect (video) vs. direct laryngoscopy Barry McGuire (Ninewells Hospital, UK)
	Difficult airway management: the current method is not ideal Takashi Asai (Dokkyo Medical University, Japan)
	Problems in anesthesia for goiter surgery Patrick Wong (Singapore General Hospital, Singapore)
	Q & A
Room 3 09:00 - 10:30	Refresher course (Korean)
	Moderators Hyun Kyoung Lim (Inha University, Korea) Seunghoon Baek (Pusan National University, Korea)
	Perioperative cardiopulmonary function Seung Zhoo Yoon (Korea University, Korea)
	Perioperative β -blockers & ACE inhibitors or ARBs Chung-Sik Oh (Konkuk University, Korea)
	Perioperative NOACs and neuraxial anesthesia Sun Young Park (Soonchunhyang University, Korea)
	Cardiac-preload vs. fluid-responsiveness? DaeKee Choi (University of Ulsan, Korea)
	Q & A

Program Details

Session		
Room 4 09:00 - 10:30	Refresher course (Korean)	
	Moderators Yong Sup Shin (Chungnam National University, Korea) Sungsik Park (Kyungpook National University, Korea)	
	Postoperative pain control in pediatric patients Eun-Hee Kim (Seoul National University, Korea)	
	Intraoperative ventilation for pediatric patients Jeong-Rim Lee (Yonsei University, Korea)	
	MAC for radiologic imaging in pediatric patients Min Soo Kim (Yonsei University, Korea)	
	10-tips for management of critical events in children Inkyung Song (University of Ulsan, Korea)	
	Q & A	
Room 5 09:00 - 12:30	Workshop 2 TTE (Basic)	
	Instructors Tae-Yop Kim (Konkuk University, Korea) Hyun Suk Yang (Konkuk University, Korea) Yong Seon Choi (Yonsei University, Korea) Young Chul Yoo (Yonsei University, Korea) Ji-Hyun Lee (Seoul National University, Korea) Min Suk Chae (The Catholic University of Korea, Korea) Keisuke Nakazawa (Tokyo Women's Medical University, Japan)	
Room 6 09:00 - 12:30	Workshop 1 Thoracic anesthesia	
	Instructors Young Jun Oh (Yonsei University, Korea) Stefan Mönk (CAE Healthcare, Germany) Jeong-Hwa Seo (Seoul National University, Korea) Hyun Joo Ahn (Sungkyunkwan University, Korea) Jin Sun Cho (Yonsei University, Korea) Namo Kim (Yonsei University, Korea) Wook-Jong Kim (University of Ulsan, Korea) Burn Young Heo (Sungkyunkwan University, Korea) BoRa Lee (Yonsei University, Korea) Dong-Kyu Lee (Korea University, Korea) Wonjung Hwang (The Catholic University of Korea, Korea)	
Room 7 09:00 - 12:30	Board exam question development & assessment workshop (KSA internal) Moderator Ho Geol Ryu (Seoul National University, Korea)	
Room 8+9 09:00 - 12:30	Workshop 7 Simulation instructor course (Korean) KSA-internal	
	Instructors Chul Ho Chang (Yonsei University, Korea) Hyun Joo Kim (Yonsei University, Korea) Choon Hak Lim (Korea University, Korea) Jin-Tae Kim (Seoul National University, Korea) Hyeon Jeong Lee (Pusan National University, Korea)	

Program Details

DAY 1 | Thursday, November 8 | 11:00 - 12:30

Program Details

Day 1

Session	
Room 1 11:00 - 12:30	Update & issue (English-Korean)
	Moderators Justin Sangwook Ko (Sungkyunkwan University, Korea) John Abenstein (Mayo Clinic College, USA)
	Liberal vs. restrictive red cell transfusion for cardiac surgery David Mazer (University of Toronto, Canada)
	ROTEM for DOACs & platelet function Klaus Görlinger (University Hospital Essen, Germany)
	Prophylaxis of venous thrombosis Sibylle Kietzibl (Evangelical Hospital, Austria)
	Q&A
Room 2 11:00 - 12:30	Refresher course (English-Korean)
	Moderators Kyung-Yeon Yoo (Chonnam National University, Korea) André Denault (Montreal Heart Institute, Canada)
	The effect of vasopressors and inotropes on mortality: what is the best in cardiac surgery Giovanni Landoni (Vita-Salute San Raffaele University, Italy)
	Perioperative management of patients with RV failure & PA hypertension Nikolaos Skubas (Cleveland Clinic, USA)
	Fast track in cardiac anesthesia Jörg Ender (University of Leipzig, Germany)
	Q&A
Room 3 11:00 - 12:30	Refresher course (Korean)
	Moderators In-Cheol Choi (University of Ulsan, Korea) Yoon Hee Kim (Chungnam National University, Korea)
	Hemodynamic management during CPB Sang Beom Nam (Yonsei University, Korea)
	Ventilation for COPD Heeseung Lee (Ewha Womans University, Korea)
	Anesthesia-induced hypotension Jong-Hwan Lee (Sungkyunkwan University, Korea)
	Management for geriatric patients with diastolic dysfunction Seokyoung Song (Daegu Catholic University, Korea)
	Q&A

Program Details

Session	
Room 4 11:00 - 12:30	Refresher course (Korean)
	Moderators Bong Jae Lee (Kyung Hee University, Korea) Won-hyung Lee (Chungnam National University, Korea)
	Multimodal analgesia for postoperative pain: theory & practice Jinseok Yeo (Kyungpook National University, Korea)
	Ultrasound-guided regional blocks for postoperative pain management Gyeong-Jo Byeon (Pusan National University, Korea)
	Ultrasound & fluoroscopic radiation safety for anesthesiologist & pain physician & potential adverse effect of ultrasound Jae Hun Kim (Konkuk University, Korea)
	Diagnosis of spinal pain Yusom Shin (Kosin University, Korea)
Q&A	

Program Details

DAY 1 | Thursday, November 8 | 12:30 - 13:30

Program Details

Day 1

Session	
Room 1 12:30 - 13:30	Masimo Luncheon (English-Korean)
	Moderator Sangkee Min (<i>Ajou University, Korea</i>)
	Extracting more from processed EEG, DSA & SEF Adrian Gelb (<i>University of California, USA</i>)
	Q&A
Room 2 12:30 - 13:30	KSA Luncheon 1 (English-Korean)
	Moderator Jae-Hyon Bahk (<i>Seoul National University, Korea</i>)
	Update on anesthesia lung transplantation Peter Slinger (<i>Toronto General Hospital, Canada</i>)
	Q&A
Room 3 12:30 - 13:30	KSA Luncheon 2 (Korean)
	Moderator Jae Hwan Kim (<i>Korea University, Korea</i>)
	Lung protective strategy in ARDS Je Hyeong Kim (<i>Korea University, Korea</i>)
	Q&A

Program Details

DAY 1 | Thursday, November 8 | 13:30 - 15:30

Session	
Room 1 13:30 - 15:00	Update & issue (English-Korean)
	Moderators Sook Young Lee (<i>Ajou University, Korea</i>) Gyu-Sam Hwang (<i>University of Ulsan, Korea</i>)
	Early extubation in liver transplantation Susan Mandell (<i>University of Colorado, USA</i>)
	Ultrasound based intervention in the OR & ICU André Denault (<i>Montreal Heart Institute, Canada</i>)
	Training & board certification of perioperative TEE in Japan Minoru Nomura (<i>Tokyo Women's Medical University, Japan</i>)
	Q&A
Room 2 13:30 - 15:30	Refresher course (English-Korean)
	Moderators Jaemin Lee (<i>The Catholic University of Korea, Korea</i>) Kuen-Bao Chen (<i>China Medical University, Taiwan</i>)
	Major problems in geriatric anesthesia Hideaki Tsuchida (<i>Kanazawa Medical University, Japan</i>)
	Rescue use of ECMO in perioperative setting Chow Yen Yong (<i>Hospital Pulau Pinang, Malaysia</i>)
	Updates on core temperature monitoring & prewarming Anselm Bräuer (<i>University Hospital Göttingen, Germany</i>)
	Perioperative respiratory depression: lessons learned from the past & looking into a bright future Albert Dahan (<i>Leiden University Medical Center, Netherland</i>)
	Q&A
Room 3 13:30 - 15:30	Refresher course (Korean)
	Moderators Jong Cook Park (<i>Jeju National University, Korea</i>) Yunseok Jeon (<i>Seoul National University, Korea</i>)
	Triggers for RBC transfusion Sang-Hyun Kim (<i>Soonchunhyang University, Korea</i>)
	Point-of-care viscoelastic test Won-Kyoung Kwon (<i>Konkuk University, Korea</i>)
	Why filtered, irradiated & washed red blood cell Duck Cho (<i>Sungkyunkwan University, Korea</i>)
	Intraoperative acute normovolemic hemodilution Min A Kwon (<i>Dankook University, Korea</i>)
	Q&A

Program Details

DAY 1 | Thursday, November 8 | 13:30 - 15:30

Program Details

Day 1

Session	
Room 4 13:30 - 17:30	Education for anesthesiology teaching faculty (KSA internal) (Korean)
	<p>Moderator Dong-Won Kim (Hanyang University, Korea)</p> <p>Instructors Kyung-hyun Do (University of Ulsan, Korea) Mi Ae Jeong (Hanyang University, Korea) Seongtae Jeong (Chonnam National University, Korea) Won Joo Choe (Inje University, Korea)</p>
Room 6 13:30 - 17:40	Workshop 3 Difficult airway management
	<p>Instructors Hyun Joo Kim (Yonsei University, Korea) Dong-Kyu Lee (Korea University, Korea) Chul Ho Chang (Yonsei University, Korea) Sang Hyun Lee (Sungkyunkwan University, Korea) Young Ju Won (Korea University, Korea) Jeong-Hwa Seo (Seoul National University, Korea) Stefan Mönk (CAE Healthcare, Germany) Stephen Luney (Teleflex Inc, UK) Susie Yoon (Seoul National University, Korea) Barry McGuire (Ninewells Hospital, UK) Takashi Asai (Dokkyo Medical University, Japan) Patrick Wong (Singapore General Hospital, Singapore)</p>
Room 7 13:30 - 17:40	Workshop 4 Echo-advanced (laptop-based: GE)
	<p>Instructors Nikolaos Skubas (Cleveland Clinic, USA) Christopher Troianos (Cleveland Clinic, USA) Saket Singh (Temple University, USA) Kyoungwoon Joung (University of Ulsan, Korea)</p>
Room 8 13:30 - 15:30	<p>Workshop 11 Transfusion workshop</p> <p>Instructors Aryeh Shander (Englewood Hospital and Medical Center, USA)</p>
Room 9 13:30 - 17:40	Workshop 10 TEE workshop (simulator-based)
	<p>Instructors Yee Eot Chee (University of Hong Kong, Hong Kong) Jörg Ender (University of Leipzig, Germany) Hyun Suk Yang (Konkuk University, Korea) Ji-hyun Chin (University of Ulsan, Korea)</p>

Program Details

DAY 1 | Thursday, November 8 | 15:40 - 17:40

Session	
Room 1 15:00 - 18:00	KSA board meeting (KSA internal)
Room 2 15:40 - 17:40	Refresher course (Korean)
	Moderators Hye-Won Shin (Korea University, Korea) Young Tae Jeon (Seoul National University, Korea)
	Important cases of medical dispute that anesthesia residents should know Duk kyung Kim (Sungkyunkwan University, Korea)
	Perioperative oral carbohydrate loading in ERAS Ilsoon Son (Konkuk University, Korea)
	Tocolytics & uterotonics in obstetric anesthesia Hyo-seok Na (Seoul National University, Korea)
	Core/near-core temperature Tae-Yun Sung (Konyang University, Korea)
	NM monitoring basics & updates Ju-Deok Kim (Kosin University, Korea)
Q&A	
Room 3 15:40 - 17:40	Refresher course (Korean)
	Moderators Dong Woo Han (Yonsei University, Korea) Seongwook Jeong (Chonnam National University, Korea)
	Fate of an intravenous drug in the body Chang-Hoon Koo (Cha University, Korea)
	Titration of dosage based on patient characteristics Seongheon Lee (Chonnam National University, Korea)
	Principles of target controlled infusion Hyung-chul Lee (Seoul National University, Korea)
	Fundamental pharmacodynamic principles Byung-moon Choi (University of Ulsan, Korea)
Q&A	
Room 8 15:40 - 17:40	Workshop 13 Goal-directed fluid therapy
	Instructor Laurence Weinberg (University of Melbourne, Australia) DaeKee Choi (University of Ulsan, Korea) Suraphong Lorsomradee (Chiang Mai University, Thailand)
